2024 ELCA Youth Gathering

July 16-20, 2024, New Orleans, Louisiana

Every 3 years (well, except for 2021 due to COVID), the Evangelical Lutheran Church in America, hosts an amazing event for 8th-12th grade youth. The week includes music, speakers, worship, service projects and so much more! For many youth who attend it is a life-changing experience.

This summer **Alli Murgia, Elena & Zoe Ward, along with Jen Ward and Pastor Kristin** (this will be Pastor Kristin's 6th youth gathering) will be attending the event. We have a lot of fundraising to do and will be starting a **"Buy a Mile" fundraiser**. It is 1056 miles from Holy Trinity to the Superdome in New Orleans. Help us get to New Orleans by "buying a mile" (or more) for **\$10/mile**. You will receive a certificate and will be invited to a donor dinner after we return from New Orleans.

Follow the airplane poster to see how we are doing in our flight to New Orleans. If you want more information about the gathering you may go to www.elca.church/gathering to learn more or ask one of our attendees. Thank you for supporting our youth!

Pastor Kristin

We are assembling a group of instrumentalists to play for our **Easter worship!** The group will have one rehearsal on **Saturday, March 30 at 5:00 pm.**

Assistance Needed

On Wednesday, March 20th, the Altar Guild would like to invite you to assist us in spring cleaning of the sanctuary. We will begin at 10:00. We would also like to invite you to join our committee. If you want to become involved with the church worship but don't feel comfortable in front of a group, this would be a perfect fit. It involves about 15-20 minutes of time before and after the service. You would be part of a team.

What would you do? Fill candles, set out the elements (linens, bread, wine). Wash linens as needed. Change the paraments to the appropriate colors (there is a calendar with the information.)

We also prepare the church for Advent and Christmas, Palm Sunday and Easter.

You are not expected or required to participate in everything.

If you have any questions please reach out to me or one of our other members. We would love to have you shadow us to see if this is a good fit for you. Teens are also welcome.

Do you like to bake? Perhaps you could assist with baking bread once a month. We currently have two bakers and I am sure they would be willing to share their recipe.

Peggy Everhart

Have you or you and your spouse/child thought about assisting with worship service by being an usher? Please speak with an usher on duty and see if you could shadow them.

If we could get 10-12 people to sign up for this important position, you would only be needed once a month.

Please take a moment and talk to your family about giving your time to this part of our worship service.

Thank You.

Mowing Season to Begin Soon

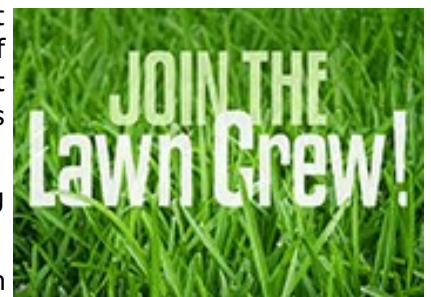

HTLC will start its 15th mowing season on March 24 ending on October 5. Last year we had four teams rotating on 2-week cycles with some teams consisting of families as well as individuals. Each team was scheduled three times throughout the season. More volunteers will add additional teams or increase the numbers on the present teams.

Two riding mowers with fuel are provided as well as push mowers and trimming equipment. Mowing can be done anytime during your 2-week cycle.

Please contact Jim Truxel -540-338-4669, jimtruxel@comcast.net or the Church office and I will be in touch. Standby volunteers are also accepted.

Thanks for considering this important project.

The Tale of Three Trees

Music by Allen Pote

Lyrics and Narration by Tom S. Long

Presented by Joyful Noise

SUNDAY, MARCH 17

10:00 am

“Once upon a mountaintop three little trees stood and dreamed of what they wanted to become when they grew up.” This is how this timeless American folk tale begins. The simple, but deep story reminds us that God is there to help our dreams come true, but sometimes in unexpected ways. It also reminds us to look for God in unexpected places in our world – even between two prisoners on a hill!

We hope that you will join us as our Joyful Noise Children’s Choir retells this wonderful story.

Nancy Fox

From Our President

As many of you are aware, I've been volunteering with the Leesburg Volunteer Fire Company for over three years now. My role primarily involves Public Education, which includes managing emails for birthday parties and station tours. One of the highlights of this role is bringing the fire engine to children's homes and witnessing the joy on their faces at the sight of a firefighter, myself, and, most importantly, a fire truck. Additionally, I oversee hall rentals, which is quite a demanding task in itself. If you are interested in a fire truck at your home for an event, please feel free to reach out to me.

**We Love
Our
VOLunteers**

I often get asked why I volunteer there and how I got there. Well, it all began when COVID forced our church to close, halting our social ministry work in the community. I deeply missed it and sought out other ways to contribute locally. That's when I stumbled upon the fire department, and it quickly became like a second family to me. Now, I find myself blessed with three fam-

ilies: my own, HTLC, and the fire department. I never imagined I would forge such incredible friendships and adopt so many young men and women along the way.

I'm sharing this story to urge everyone to take a moment to express gratitude whenever they encounter a firefighter or police officer. The recent home explosion in Sterling has deeply impacted all fire departments in Loudoun County. While I didn't personally know the firefighter involved from the Sterling Fire Department, I can attest to the emotional impact it had on me and others on the Admin team. As we prepare to lay the firefighter to rest in the coming week, I ask for your prayers for both the departed and the survivors, and ongoing prayers for healing and strength.

If community service is something you're interested in, there are numerous places seeking volunteers, including Holy Trinity Lutheran Church. I'm pleased to announce that our Social Ministry Committee is planning many activities for the year that might align with you or your family's passions. Feel free to reach out to either Susie Tinney or Sandy Phillips for more information.

Women of the ELCA

WOMEN of the ELCA Holy Trinity's WELCA meeting scheduled for Tuesday, February 13th was cancelled due to snow. Six members gathered the next day, prior to the Ash Wednesday service, to pack our monthly lunches/waters to support Loudoun's homeless shelter. Kim Mill and Margaret Seymour

kindly delivered these to Shelter House. In another attempt to keep us on our February schedule, WELCA gathered on Wednesday, February 28 as Kim Mill led the group through "Letting Go" for our continuing book study of Alice Fryling's *Aging Faithfull`y*.

As an Easter congregational outreach, WELCA has joined with Little Blessings Preschool to sponsor "Ten chicks for \$10". From the ELCA catalog - "Ten little chicks can make a big difference. Eggs from chickens not only provide an ongoing supply of protein-rich meals for a family, they can also launch a small business that provides a steady source of income." This project will run from February 18 through March 10. Church and preschool families sponsoring the chicks will be displayed on the farm display in the Commons area. Watch for the flyers, inserts, emails, and Facebook reminders!

Our next scheduled meeting is Tuesday, March 12 @ 10:00 am. We welcome you to join us in service and fellowship!

Pat Bailey, WELCA President

Angel Tree 2023 a Success!

Wow! We have delivered Christmas wishes for 66 children in 2023. This included six bicycles. The Girl Scouts not only did an excellent job with creating the ornaments for the tree; they also fulfilled six wishes from the tree which included one bicycle. We had participation from 42 families in the congregation, most fulfilling three or more wishes. We additionally had seven preschool families fulfill wishes.

Special thanks to Marc and Rebecca Buzzell, and Leila and Luke Willeke, for helping with the sorting and packing of the presents for delivery. Also thank you to Barrett and Peggy Everhart, Jerry Harned, Karla McGovern and Linda Rehling who helped deliver the packed presents. We had much to be thankful for this Christmas.
